OperaPlus is an online group that allows subscribers to access up to thirty, two-hour talks per year. Our speakers are drawn from people with extensive knowledge of opera and the talks include information on the composers, plots and historical context of the opera being studied. Sessions last for two hours and are illustrated with musical excerpts and videos or slides.

Interested? Please visit our website at www.operaplus.net or call Graham on 07712 044180 or Angela on 07798 916485. We are a friendly, enthusiastic group of opera lovers and would love you to join us.
